Flower and Music Festival,

From Saturday June 29th to Friday July the 5th, 2019

There will be a Flower and Music Festival at St Andrew's Church, Ombersley.

June 22nd our church's 190th Birthday'. Since this is also the date of the Church Fete, we plan to begin this celebratory festival a week later. We will also launch 'Toward it's 200' - a 10 year project to make sure the building is fit and ready to serve our community for the next 100 years.

A Flower Festival in a church this size is a major undertaking, (It is 20 years since the last one!) So we would like to ask you to think about being involved in some way, this could include:

serving coffee and tea, perhaps growing flowers for the arrangements, a chance to look at seed catalogues over Christmas?

Join our flower arranging team!

There will be more information and ideas in the coming months, but please do put the dates in your diary...you won't want to miss

this!
